Report of Principal and School Improvement Council

Pomaria-Garmany Elementary School is located in the rural community of Pomaria in Newberry County. Our school serves a diverse population of 416 students, which includes pre-kindergarten through fifth grade. Sixty percent are Caucasian, twenty-one percent are African American, and nineteen percent are Hispanic. Pomaria-Garmany is an Advanced ED accredited institution, School of Promise and a Palmetto Silver Award winner in the area of academics and achievement. Nine of our faculty members are National Board Certified teachers, and three others began the application process during the 2008-2009 school year and four are continuing the process. The school counselor also received the SC Heart Award. The faculty participated in many professional development activities this year including Working on the Work trainings. First Steps continued to fund a summer program for ten kindergarten students to increase their readiness level for kindergarten. These awards and other activities demonstrate a hardworking and dedicated faculty and staff. Students at Pomaria-Garmany Elementary made many accomplishments this year. On a school level, students were recognized at the end of year awards ceremony. Students were rewarded with trophies, pendants, and certificates. Parents and members of the community were invited to come out and support student achievement. There was also a school wide winner of the State Superintendent of Education Essay Award. One student was a Regional Winner in the MESAS contest. Another student was also recognized for his achievement in art at the SC Economic Education luncheon. Four students were recipients of the Duke TIP Talent Search Award. Students, under the guidance of our school media specialist, produced the daily morning news show. Third grade students also served as library helpers. They assisted the media specialist in shelving books after school. The fourth grade students maintained the PGE postal system and delivered mail to students, faculty, and staff. Fifth grade students also are selected to serve as our morning STAR Patrol. STAR Patrol assisted in school morning duties and modeled character skills for younger students. Students at Pomaria-Garmany experienced learning outside the classroom through guest speakers and field trips. Parents and community members actively supported our school. Our PTO and School Improvement council were very supportive in making school decisions. Parent volunteers, community members, churches, and civic organizations were also very supportive in providing for the needs of our students. Pomaria-Garmany Elementary School is a learning community where parents, teachers, and community members work together to ensure that students are successful.
